**HERE ARE IDEAS FOR USING THIS GRAPHIC ORGANIZER:**

-  As students finish a writing assignment, ask them to complete the graphic organizer. If students are overwhelmed, have them complete two or three sections.
-  When students peer edit, ask students to collaborate on the graphic organizer.
-  Meet standards with application of language to writing! The grammar concepts on the graphic organizer are part of most language standards.
-  Complete the graphic organizer throughout the year as you cover these grammatical concepts.
